FAUNA OF ARABIA

VOL. 20 2004 SOCOTRA ARCHIPELAGO

Contents

General

Preface: *H.R.H. Prince Saud bin Faisal bin Abdulaziz*

Foreword: *H.E. Prof. Dr Saleh Al-Athel*

Foreword: *H.E. Dr Mohamed Lutfi Al-Eriani*

Introduction: *Editors*

Di Micco De Santo, T. & Zandri, E.: Main features of the Socotra Archipelago and ongoing conservation efforts

Fleitmann, D., Matter, A., Burns, S.J., Al-Subbary, A. & Al-Aowah, M.A.: Geology and Quaternary climate history of Socotra

Klaus, R. & Turner, J.R.: The marine biotopes of the Socotra Archipelago

Corals

DeVantier, L., De'Ath, G., Klaus, R., Al-Moghrabi, S., Abdulaziz, M., Reinicke, G.B. & Cheung, C.: Reef-building corals and coral communities of the Socotra Archipelago, a zoogeographic 'crossroads' in the Arabian Sea

Rotifers

Van Damme, K. & Segers, H.: *Anomopus telphusae* Piovaneli, 1903, an epizoid bdelloid (Rotifera: Bdelloidea) on the Socotran endemic crab *Socotrapotamon socotrensis* (Hilgendorf, 1883)

Chilopods

Würmli, M.: A new species of *Thereuonema* (Chilopoda: Scutigromorpha) from Socotra Island

Crustaceans

Mazzini, I. & Sardella, R.: Notes on the freshwater ostracods (Arthropoda: Crustacea) and on the Quaternary deposits of Socotra

Van Damme, K., Dumont, H.J. & Weekers, P.H.H.: Anostraca (Crustacea: Branchiopoda) from Socotra Island: A new *Branchipodopsis* and its relationship with its African and Asian congeners

Taiti, S. & Ferrara, F.: The terrestrial Isopoda (Crustacea: Oniscidea) of the Socotra Archipelago

Arachnids

Weygoldt, P. & Van Damme, K.: A new troglomorphic whip spider of the genus *Charinus* (Amblypygi: Charinidae) from Socotra Island

Rheims, C.A. Brescovit, A.D. & van Harten, A.: Hersiliidae (Araneae) of Yemen, with description of a new species of *Hersilia* Audouin, 1826 from Socotra Island

Alderweireldt, M. & van Harten, A.: A preliminary study of the wolf spiders (Araneae: Lycosidae) of the Socotra Archipelago

Insects

Mendes, L.F.: Zygentoma (Insecta) from the Socotra Archipelago

Barra, J.-A.: Springtails of the genus *Seira* Lubbock, 1869 (Collembola: Entomobryidae) from Socotra Island

Haas, F., Pohl, H. & Wranik, W.: Dermaptera of the Socotra Archipelago, with the description of a new species

zur Strassen, R.: On some Thysanoptera (Insecta) from Socotra Island

Adlbauer, K.: A new species of *Iranobrium* (Coleoptera: Cerambycidae: Oribiini) from Socotra Island

Cassola, F. & Pohl, H.: The female of *Socotrana labroturrita* Cassola & Wranik, 1998 (Coleoptera: Cicindelidae)

Schawaller, W.: New species and records of Tenebrionidae (Coleoptera) from the Socotra Archipelago

Toskina, I.N.: A new species of *Clada* Pascoe, 1887 (Coleoptera: Anobiidae) from the Socotra Archipelago

Wewalka, G.: Dytiscidae (Insecta: Coleoptera) of the Socotra Archipelago, with descriptions of two new species

Collingwood, C.A., Pohl, H., Güsten, R., Wranik, W. & van Harten, A.: The ants (Insecta: Hymenoptera: Formicidae) of the Socotra Archipelago

Greathead, D.J.: Bombylioidea (Diptera) from the Socotra Archipelago: A new species of *Phthiria* Meigen, 1803, and a checklist of species

Reptiles

Rösler, H. & Wranik, W.: A key and annotated checklist to the reptiles of the Socotra Archipelago

Birds

Gedeon, K. & Neumann, V.: Notes on Socotra starling *Onychognathus frater* Sclater & Hartlaub, 1881 and Somali starling *O. blythii* Hartlaub, 1859 (Aves) on Socotra Island
